

# Weighted & Split Scores

Please list the weightings to be assigned to N/S

| Weighting  | Score to N/S |
|--|--------------|
|  | % of         |
|  | % of         |
|  | % of         |
|  | % of         |
|  | % of         |
| <i>If different</i> , please list the scores to be assigned to E/W |              |
| Weighting  | Score to N/S |
|  | % of         |
|  | % of         |
|  | % of         |
|  | % of         |
|  | % of         |

Scores are always shown as N/S scores, and tabulated in descending order. Calculation is easier if each weighting is given a line to itself. This way of expressing weighted scores is called the "Maastricht protocol".

# CHANGE OF RESULT

If possible, make any changes to results at the Bridgemate rather than using this form. However Weighted Scores, Split Scores, Arrow-Switches and late corrections will need to be done here.

|                       |                       |                  |
|-----------------------|-----------------------|------------------|
| Event:                | Session:              |                  |
| NS Pair No:           | EW Pair No:           |                  |
