5 Prizes

6 Special regulations

6.1 RealBridge

See [EBU RealBridge Instructions](#)

6.2 Ties

A tie will be split only for the purpose of establishing the winner of the Corwen Trophy. Standard EBU split tie procedures will apply, the first test being the result of the head-on encounter between the pairs involved if they have all met. Tied contestants share equally any master point applicable to those places.

6.3 Systems and conventions

You are required to have a system card online that should be made available to your opponents at the start of each round, by posting a link in the table chat. This event is a Level 4 event and you must use an EBU system card (you may not use WBF system cards, which are only permitted in EBU Level 5 events).

You can use any existing link to your system card. Otherwise, system cards can be uploaded to My EBU > Utilities > System Cards, where you can get a link.

6.4 Best Behaviour at Bridge

Please be nice to your partner, be pleasant to your opponents and be polite to the Tournament Directors. Otherwise you may well be given a Disciplinary Penalty!

6.5 Telephones and other electrical communication

Mobile phones and other electronic communication devices may not be used during play, except in an emergency.

6.6 Scoring queries

Scoring queries for the first two sessions may be raised until the start of the final session. For the penultimate session they should be raised within twenty minutes of the end of the event, and for the final session by 5pm on Tuesday.

6.7 Special circumstances

General EBU regulations apply in relation to any matter not detailed in these conditions (e.g. protest time). However, any conditions, whether they be general or specific to this competition as set out in this programme, may be varied by the Chief Tournament Director in order to accommodate any unforeseen circumstance and in order to facilitate the smooth running of this event.
