

EBU Event Focus

Issue 56: May 2017

Dear

EBU

member

The sun is shining (intermittently) and our thoughts are turning to our summer congresses. Join us over the coming months in some great destinations for enjoying the English summer. And before that - and with no disrespect to the tourist attractions of Solihull - there is the National Swiss Teams Congress, with entries still open for this weekend's event.

Scarborough

2018

Looking further ahead, in response to demand for more seniors events in the North of England, the Scarborough Congress will be expanded in 2018 to include new Seniors' Tournaments. There will be a Seniors Pairs on the Wednesday and Thursday with qualifying rounds followed by a final. The rest of the congress format will be unchanged, and open to all, but there will be a prize for the top 'senior team' in Friday's Multiple Teams competition. Entries for the 2017 event are now open – see below for details.

Fargo

No, not the venue for our next overseas congress (that's [Halkidiki](#)), but a bit of news relating to the television show of that name. Series 3 starts in the UK around the end of this month (date TBC) on Channel 4 and bridge is reportedly a significant part of the story (Ewen McGregor attended bridge congresses to do research for his part). If this genre of TV is your thing, and you haven't seen series 1 & 2, then you may want to catch up on it so you can enjoy this one when it airs.

As always, if you have any queries about any of the events featured here then please don't hesitate to contact the Competitions Department on 01296 317203/219 or at comps@ebu.co.uk. Entries can be made by calling this number, or (hopefully in the next few days) through the members area of the website - www.ebu.co.uk/members.
