About Bridge

Bridge is a trick-taking card game of skill and chance. It is played by four players who form two partnerships (sides); the partners sit opposite each other at a table. The game consists of the auction (often called bidding) and play, after which the hand is scored. Bridge is one of the most enduring and popular games in the world. It is one of the most popular participation sports in Britain, with around 300,000 playing on a regular basis.

About the English Bridge Union

The English Bridge Union Limited (EBU) is a membership-funded organisation committed to promoting the game of duplicate bridge. It is also a National Bridge Organisation in its own right affiliated to the European Bridge League and the World Bridge Federation. New players are the lifeblood of the game and the EBU are keen to encourage them. Further information: www.ebu.co.uk
