Conditions of Entry

Entries should be submitted by the affiliated Club Secretary, who should be satisfied of the credentials of the players. Players must be members of the affiliated club, and must have been so for at least three months immediately prior to the day they first represent it. Moreover, nominated players must play regularly at the club or for the club or contribute regularly in some other way OR have met this criteria in previous years, yet be unable to currently do so through some personal circumstance (e.g. illness, work, childcare, etc).

It is left to individual clubs themselves to decide whether their members meet these criteria and are thus eligible to represent them. Clubs are asked to ensure that their representatives match the ethos of the competition. Any complaints that a team does not meet these criteria will be referred to the club that entered them.

At least 4 players must be nominated for each team when the entry form is submitted. **Please give EBU numbers for all players.** If you cannot provide EBU numbers, then it is essential that you give their postcodes.

Extra players may be added, up to a maximum of 6 players per team, at any time during the competition provided:

- (a) that they satisfy the entry conditions,
- (b) that they have not represented another team in the competition this season, and
- (c) that they are nominated to the EBU Competitions Department before they play

'Strong teams' (i.e. those with 2 or more Grand Masters or above or ranked in the top 40 of the EBU Gold Point scheme at the end of August) will be exempted until round 2 or round 3. In principle, it will be the latter, but a final decision will not be made until the full entry list has been examined. Strong teams will not be eligible for the NICKO Plate.
