

The 57th EBU Summer Meeting Eastbourne

a festival of bridge for all

Floral Hall, Winter Garden, Eastbourne

10th - 13th August 2023

INTRODUCTION

Welcome to the Summer Meeting at Eastbourne – a festival of bridge, for all.

The Terrace Bar & Cafe in the Welcome Building will be open each morning serving tea, coffee and sandwiches as well as cold drinks until the end of the evening. The bar in the Bistro will be open on Thursday evening, and from Friday tea and coffee will be available from the Bistro Cafe next to the playing area during sessions.

Throughout the congress you will be able to browse the Bridge Warehouse as well as our regular stands from Brian Senior Books and Card Game Books (Gordon Bickley). We will have some information available about Eastbourne.

We welcome your comments about this congress and you will be sent questionnaires by email after the event. We do hope that you enjoy your holiday in Eastbourne. A smart casual dress code applies for both afternoons and evenings at this congress. That means that tailored shorts are permitted at any time, but beach shorts are not.

EBU Congress Desk

Sam Kelly and Louise Crisp will be available to help you with any queries regarding the congress itself. Telephone enquiries can be made between 10:30am and 1:00pm on 07948 268731/4. Alternatively, you can email us at comps@ebu.co.uk.

Tournament Host

Gordon Rainsford is the Director in-charge and Tournament Host. If you need any help in non-bridge-related matters, or wish to discuss any aspect of the tournament, he should be available at EBU reception at the start and end of sessions.

System Cards

You are required to have a pair of identical completed EBU 20B system cards and you should exchange them with your opponents at the start of each round.

If you do not have two completed system cards, you will be provided with blank ones to fill out before play may continue, receiving a score of average-minus for any boards unplayed due to the time lost in doing this.

WBF system cards are not permitted in any of the competitions in this congress. Visitors from abroad are asked to take particular care to comply with this.

Best Behaviour at Bridge

Please be nice to your partner, be pleasant to your opponents and be polite to the Tournament Directors. Otherwise, you may well be given a Disciplinary Penalty!

Telephones and electronic devices

Please switch off your mobile phone. If you must have it on for emergencies, switch it to silent and leave the playing area before answering it. You may not use any electronic communications devices in the playing area, nor may you use electronic cigarettes.

Bridgemates

North (or South) is responsible for entering the contract and result into the Bridgemate, and showing it to East (or West) to verify the entry before it is agreed by pressing the ACCEPT button.

It is best to enter the contract, declarer and lead at the end of the auction – this saves time, reduces the risk of entering the wrong board number, and ensures the lead is fresh in your mind.

Entering the lead accurately not only provides extra information of interest to players, but can also assist the scorer in resolving errors of data entry.

Results should be entered before the next board is played, East or West must be allowed to check the result, and both sides should have the opportunity to review other scores.

It is an offence to attempt to access the TD screen or change a score in the Bridgemate without calling the TD.

Bridgemate UK is the EBU's "Official Wireless Scoring Provider"

Special Circumstances

General EBU regulations apply in relation to any matter not detailed in these conditions (e.g. protest time). However, any conditions, whether general or specific to the Summer Meeting as set out in this programme, may be varied by the Tournament Director in charge in order to accommodate any unforeseen circumstance and to facilitate the smooth running of the congress.

The Summer Meeting Hub

We will report results, information and assignments on the Summer Meeting Hub at www.ebu.co.uk/summer-meeting along with articles by Brian Senior. We would be interested in any exciting hands or amusing stories that would be suitable for the Summer Meeting Hub. Please contact Brian Senior via the EBU Congress Desk or the Communications Officer Sam Kelly sam@ebu.co.uk.

Issue of Master points and Ranking Lists

All Master Points will be awarded by direct credit and will appear on your record within a month of the end of the congress. Ranking lists are available from our website at www.ebu.co.uk/results/1240. Results will be automatically emailed to anyone registered with Pianola under EBU Events. If you are not currently registered and would like to be, please email robin@ebu.co.uk.

Prizes

All prizes will be automatically credited to the member's EBU account, and may be redeemed at any time on application to the EBU. Prizes are awarded to at most the top three contestants, and for contestants in 'B' and 'C' stratification levels. The number and size of prizes will be made available when entries are known.

Appeals Consultants

Should the need arise, if you wish to speak to an appeals consultant a tournament director will be able to introduce you to someone suitable.

<p>MORNING SEMINAR</p> <p>DISCUSS IT WITH AN EXPERT</p> <p>Come along at 10:00am Saturday morning.</p> <p>Discuss the previous days' hands with Chris Jagger, a regular contributor to <i>English Bridge</i>, who represented England the last time we were at the Bermuda Bowl.</p>

BLUE BOOK

There is a new Blue Book with more announcements and changes to alerting of doubles. There are more details on notices and the [Summer Meeting Hub](#).

The important point about announcing and alerting is that opponents are properly informed about your agreements. If you get details wrong – alerting when you should announce, or announcing when you should not – we expect opponents to be understanding, especially before everyone is familiar with the changes.

'B': a Premier Regional Master or above and not a Premier Life Master or above.

'C': not a Premier Regional Master or above.

Overseas visitors with Master Point records held outside the UK are normally obliged to be category 'A' players

The stratification level of a pair is the higher of the level of the two players.

The stratification level of a team is the highest of all but one of the players.

<https://www.ebu.co.uk/documents/official-documents/Stratification 2019.pdf>

Master Point awards

Master Point awards are quoted within for the overall 'A' + 'B' + 'C' stratification ranking list only. The top award and minimum award on the 'B' + 'C' list is 50%, and the 'C' list is 25% of that quoted for the overall list.

Prizes

Pairs are limited to one prize per pair, which shall be the highest one available to them. Any prize so released will be awarded to the next pair in line in the appropriate category.
