BRIDGEMATES

North (or South) is responsible for entering the contract and result into the Bridgemate, and East (or West) verify the entry by pressing the ACCEPT button.

It is best to enter the contract, declarer and lead at the end of the auction – this saves time, reduces the risk of entering the wrong board number, and ensures the lead is fresh in your mind.

Entering the lead accurately not only provides extra information of interest to players, but can also assist the scorer in resolving errors of data entry.

Results should be entered before the next board is played, East or West must be allowed to accept the result, and both sides should have the opportunity to review other scores.

It is an offence to attempt to access the TD screen or change a score in the Bridgemate without calling the TD.

Bridgemate UK is the EBU's "Official Wireless Scoring Provider"

GENERAL

Systems/conventions

You are required to have a pair of identical completed convention cards (EBU 20B) and you should exchange them with your opponents at the start of each round.

If you do not have two completed system cards, you will be provided with blank system cards to fill out before play may continue, receiving a score of average minus for any boards unplayed due to the time lost in doing this.

Since all competitions in this event are Level 4 you may only use EBU system cards and may not use WBF convention cards.

Prizes

There is a small pool for prize money. Prizes will be paid at the congress. Prize awards will depend on the entries.

Master Points

All Master Points will be awarded by direct credit. Ranking lists are available from our web site at <https://www.ebu.co.uk/results/1457>

Best Behaviour at Bridge

Please be nice to your partner, be pleasant to your opponents and be polite to the Tournament Directors. Otherwise you may well be given a Disciplinary Penalty!

Telephones

Please switch off your mobile phone. If you must have it on for emergencies, switch it to silent and leave the playing area before answering it. You may not use any electronic communication devices, or electronic cigarettes, in the playing room.

Special Circumstances

General EBU regulations apply in relation to any matter not detailed in these conditions (e.g. protest time). However, any conditions, whether they be general or specific to this competition as set out in this programme, may be varied upon the special instruction of the Director in charge in order to accommodate any unforeseen circumstance and in order to facilitate the smooth running of this Congress.
