GENERAL CONDITIONS

System Cards

Pairs are required to have two identically completed system cards (EBU 20B), to be exchanged with your opponents at the start of each round.

If you do not have two completed system cards, you will be provided with blank system cards to fill out before play may continue, receiving a score of average minus for any boards unplayed due to the time lost in doing this.

The congress is EBU Level 4, so only EBU system cards are permitted. (WBF cards are only permitted in EBU Level 5 events.)

Format

The programme, and format of the events, can be changed by the Chief Tournament Director if the number of tables makes such changes necessary.

The Pivot Teams is a multiple teams event, in which you will partner any two of your three teammates in turn for approximately twelve boards (i.e. a *partial* pivot rather than a *full* pivot).

Best Behaviour at Bridge

Please be nice to your partner, be pleasant to your opponents and be polite to the Tournament Directors. Otherwise you may well be given a Disciplinary Penalty!

Please switch off your mobile phone. If you must have it on for emergencies, switch it to silent and leave the playing area before answering. You may not use any electronic equipment within the playing room.

You may not use electronic cigarettes in the playing room.

Bridgemates

North (or South) is responsible for entering the contract and result into the Bridgemate, and East (or West) verify the entry by pressing the ACCEPT button.

It is best to enter the contract, declarer and lead at the end of the auction – this saves time, reduces the risk of entering the wrong board number, and ensures the lead is fresh in your mind.

Results should be entered before the next board is played, East or West must be allowed to accept the result, and both sides should have the opportunity to review other scores. Please don't read out scores for other players at the table, unless asked – you may be overheard by other tables.

It is an offence to attempt to access the TD screen or change a score in the Bridgemate without calling the TD.

Bridgemate UK is the EBU's "Official Wireless Scoring Provider".
