Our legal basis for processing this data is our legitimate interest as a membership organisation. We use the data for the administration of your membership, the communication of information and the organisation of events.

This information will be recorded in our membership database, which is stored online in compliance with the GDPR. Our membership data is shared with our associated charity, English Bridge Education and Development (EBED), with whom we share offices and data systems. We will provide your data to your county of affiliation if you have chosen one.

A limited amount of your information (name, EBU number, county, post town) is listed in the database made available for use by scoring program providers and users. This is to allow the correct identification of players for scoring purposes.

Information relating to your NGS grade and master point rank, together with your county of affiliation, will be generally available unless you have chosen for them to be private. You can do this by logging on to My EBU -> Account -> My Details.

Some of your data may be used by organisations that act as Data Processors on our behalf, such as Pianola and Bridgewebs. They may only use it for the specific purposes for which they act as our data processors and they are not free to pass this on to other organisations that are not connected with the EBU.

Your personal data is not passed on by us for use by any other third parties whether or not connected with bridge. Full information about our data use policies, including how you can see what data we hold about you, how you can limit its use and how you can ask for inaccuracies in data to be corrected, may be found at www.ebu.co.uk/gdpr.
