EBED Club Teacher Training Course

- Face to face, classroom based, 2 day course
- Based around teaching of the EBU approved “Bridge for All” syllabus.
- Learn the skills to teach bridge effectively
 - Practice planning & teaching a bridge lesson
 - Learn different teaching methods and styles
 - Learn how to use Mini Bridge to get your students hooked
 - Learn how to use the online material that support the “Bridge for All” syllabus

EBED *Online* Teacher Training Course

- Delivered remotely over Zoom, across 2 day long sessions
- Focussed on online tools and platforms to deliver bridge lessons
 - How to use zoom to teach
 - Using BBO and RealBridge, plus demo of Shark bridge
 - Learn different teaching methods and styles
 - Prepare for and deliver a bridge lesson
 - Understand the resources that we provide to help you plan and prepare for lessons and supervised play.
- this is NOT simply our face-to-face teaching course delivered via online means, the content is different
