The EBU provides many services and benefits for its affiliated clubs. A number of them are listed here. Please click on a hyperlink for more information.

[Free Club Teacher Training](#) – The EBU works with the charity English Bridge Education and Development (EBED), and the bridge teachers' organisation EBTA, to support clubs, and bridge teachers. EBU affiliated clubs receive a free club teacher training place every 2 years to assist with the development of the club and to attract new members. The courses are run by EBED, and are subject to availability (see [Club Teacher Training](#) for further details). Clubs also receive a 20% discount off the course price for second and subsequent members attending a Club Teacher Training Course.

[Club Tournament Director Training](#) – Every EBU club receives a discount on the cost of Tournament Director Training courses run by English Bridge Education and Development as EBU Members enjoy a discount of 10% from the standard pricing.

[Reduced Cost Public Liability Insurance](#) – Extensive club cover for a very low price including a recent extension to cover club officials, see <https://www.ebu.co.uk/documents/miscellaneous/directors-and-officers-insurance.pdf> for further details.

[Included in EBU Club Directory](#) – Details about your club are published in the directory to help attract suitable new players.

[Special offers on bridge equipment](#) – The EBU shop - The Bridge Warehouse - provides good quality low cost equipment and stationery. Periodical special offers are available to affiliated bridge clubs. Club treasurers and secretaries are sent these offers by email with codes to use online. The Bridge Warehouse will match prices where possible and takes pride in its service.
