

Free for EBU affiliated clubs:

Seminar on
Bridge Organizing Software (BOS)
10 a.m. 15th of August at the Brighton Summer Congress

Take this opportunity to learn more about the ins and outs of deal related software

- Dealing — random and purpose built deals.
- Transfer of deals.
- Linking deals with scores
- Posting of deals and scores in various styles and formats incl. upload to websites.
- Replay of the deals on play software.

Participants will be offered a complimentary CD containing all software discussed.

DEALING MACHINE WORKSHOP
11:15 a.m. 15th of August at Brighton Summer Congress

Please bring along your club's Duplimate machine and an extension lead.

This workshop aims to give you advice on how to minimize problems, and maximize output, from a dealing machine. The workshop is in two parts:

- i. Hardware related issues.
- ii. Workshop with hands on practice.

Maintenance service and support are offered free of (labour) charge in conjunction with the seminar. Repairs and spare parts are NOT free, but will be available at discounted prices.

* * *

Per Jannersten, assisted by David Stead, will conduct the seminar and the workshop. Mr. Jannersten is a world authority on the organization of bridge tournaments and proprietor of the company providing Bridgescorers, Duplimate and other products for duplicate bridge.

The seminar and workshop are free of charge for affiliated clubs. Registration on the day.
